SKETCH

The shadows of the ships
Rock on the crest
In the low blue lustre
Of the tardy and the soft inrolling tide.

A long brown bar at the dip of the sky
Puts an arm of sand in the span of salt
The lucid and endless wrinkles
Draw in, lapse and withdraw.
Wavelets crumble and white spent bubbles
Wash on the floor of the beach

Rocking on the crest
In the low blue lustre
Are the shadows of the ships.

MAREE PENSYL

To Miss Maree Pensyl, we, the class of 1936 of Bloomsburg High School, dedicate this volume as a mark of our appreciation. To her counsel we owe our citizenship . . . to her tireless effort we owe our gratitude . . . and to her personal interest in us we owe our future.

Miss Pensyl completes her tenth year of teaching in Bloomsburg High School this year. We, of the present senior class, received our training in Civics under her guidance. Others have been members of her glee clubs and have participated in the fine vocal programs staged in this and in past years by Miss Pensyl.

Miss Pensyl is a native of Bloomsburg. She attended Bloomsburg Normal School after graduating from Bloomsburg High School and was later honored with a B. S. degree from Bucknell University. Miss Pensyl has been a co-operative teacher for the past nine years.

For the past two years Miss Pensyl has studied voice culture under the direction of Dr. Isadore Luckstone and Laura Herring, both of New York City. Her interest in government has taken her to Alaska, California, Mexico and Canada, where she has had an opportunity to witness social and civic conditions.

We offer congratulations for a goal attained and hope that the future may offer the same challenge of forward-looking youth.

L. P. GILMORE

L. P. Gilmore, supervising principal of the Bloomsburg School district for the past two years, has long been associated with education. His scope has included the Atlantic and Pacific Coast and has consisted of work both in secondary education and in teacher training.

After graduating from Williamsport High School in 1906, Mr. Gilmore received his A. B. from Lehigh University in 1910. Three years ago, Bucknell University honored him with the A. M. degree.

Mr. Gilmore came to Bloomsburg in 1928 as a teacher of General Science in the 9th grade of the newly rebuilt high school. His experience previous to this time included one year of teaching in Danville, Va.; one year at Dallas College, Dallas, Ore.; one year of teaching in Salem High School, Salem, Ore.; head of the science department of the Oregon Normal School, Monmouth, Ore., for eight years, where he also coached baseball, and basketball. Before coming to Bloomsburg, Principal Gilmore taught in the high school at Hughesville, Pa., and also for two years acted as principal of the junior-senior high school at Wellsville, Pa.

Under his supervision progress has been evident. Scholastic standards are constantly being raised and the ultimate goal of achievement is being realized.

Left to right—Max Arcus, Warner D. Werkheiser, Howard J. Traub, secretary, Isaiah B. Giger, vice-president; George J. Vanderslice, president; L. P. Gilmore, supervising principal; William M. Lemon, Herman C. Snyder, treasurer; Fred C. Hippensteel.

BOARD OF DIRECTORS

THE Bloomsburg board of directors have set as their standard the constant improvement of the Bloomsburg School District. By means of federal aid both the Fifth Street and the Third Street buildings were repainted this year. Present plans include refinishing of both junior and senior high school classrooms.

Educational standards are constantly being raised with added emphasis placed on student achievement in both academic and commercial fields. Open house was held in the town schools during the week of May 9 when parents were given an opportunity to witness the type of work that is being done in the schools.

Left to Right (sitting)—John J. Gress, Margaret Lorah, E. H. Vanderslice, Mary Whitenight, Lawrence Campbell, Maree Pensyl, Donald G. Remley, Thursabert Schuyler, Peter Wisher, Arlene Faust.

Left to Right (standing)—N. A. Yeany, Edward T. De Voe, Bessie Long, Myra Sharpless, Alex Fisher, Cleora McKinstry, Robert Mercer, Mary Serocca, Orville Bennett, Martha Jones, Vida Hartman, Robert Hutton.

Left to Right (standing)—Ernest Shiffert, Joseph Grimes, George Mordan, Don Sands, Harold Miller, J. Claire Patterson, Ray Schell.

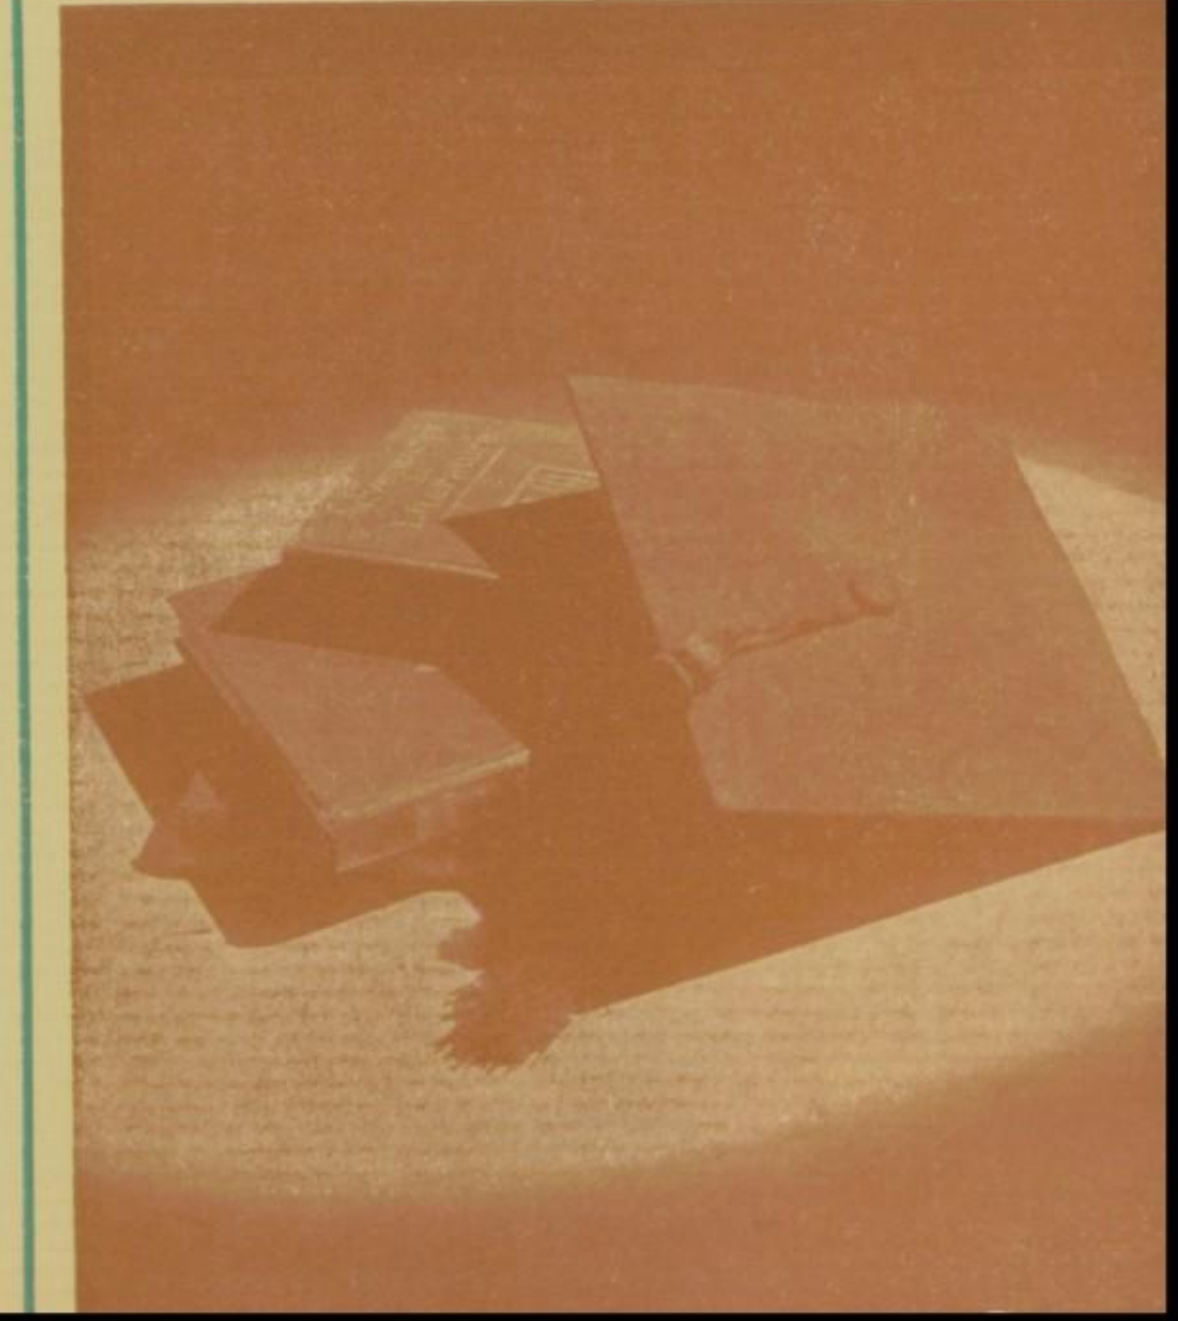
FACULTY

THE faculty of Bloomsburg Junior and Senior High School has shown a fine spirit of cooperation during the past school year. A desire on the part of each individual to train the youth of Bloomsburg in the various branches of learning has been evident at all times.

All student activity was guided by the members of the faculty and each teacher assisted in presenting suitable programs in assembly. Mrs. Kline and Miss Schuyler were in charge of senior high assemblies while Miss Serocca and Miss Pensyl scheduled the junior high school events.

Miss Mary G. Belig, a member of the faculty for several years, was unable to resume her teaching due to a severe illness early in the first semester. Her place was filled by E. H. Vanderslice, who taught commercial subjects for the remainder of the term.

CLASSES



SENIOR CLASS HISTORY

SPRING is the time of all green and growing things, fresh and verdant in their newness to all life. What more fitting then, that the Freshman, in this green time of his life should enter school. The March winds and April showers were very necessary to the budding of the shoots of knowledge in the Freshman mind, and we, so green and fresh in our dewy innocence, received at this time our first seeds of knowledge and felt the first pull of the plow and cultivator in this spring of our career.

It was in the autumn of 1932 that we began our career in High School Since time immemorial Freshmen have been looked upon with disdain and we proved no exception to the rule.

But the March winds and April showers brought forth an abundance of May flowers, and the summertime came upon us almost before we knew. We found the skies so much bluer and sweeter. We held our heads very high and kept the stalks that supported them very straight. Since they were not yet heavy with accumulation of wisdom, they did not droop beneath the weight. We elected Alfred Gross, president; Dick Foote, vice pres.; Josephine Brown, sec.; and John Lyle, treas.

The autumn of our school career rapidly approached. Very brilliant was our foliage that year, very rich our fruitage, as the little buds of the Freshman year grown into the flowers of Sophomore development, became the satisfying fruit of autumn. It was indeed the harvest of all our early planting—the reaping of the results of all our hopes and efforts. We again elected the same officers for our Junior year. After deligent work for some weeks we presented in March, "Under Twenty" our Junior Class Play with a dance following. Near the close of school, we held our Junior Prom and proved ourselves quite capable of playing the role of hosts.

The class of 1936 selected as its adviser Mrs. Harriet H. Kline and Mr. J. Claire Patterson, under whose combined guidance the buds blossomed and burst into full bloom.

NINETEEN THIRTY-SEVEN

THE Juniors have completed a very successful year, conducting many school projects with fine spirit. They are to be the Seniors of next year and promise to live up to the standards set by this year's graduating class.

President . . . . . DON WHITENIGHT
Vice-President . . . . . MARY GROSS
Secretary . . . . . JANICE EVERETT
Treasurer . . . . . ROSE MARY SNYDER

Under the leadership of these officers and the class advisers, Miss Vida Hartman and Mr. N. A. Yeany, the class first attempted successfully the selling of candy at football games. The Junior Class Play, "Growing Pains," presented under the direction of Mrs. Kline on March 20, was successful financially as well as dramatically.

Several social hours after school hours were sponsored during the year by the class of 1937, and on May 22, the Junior Prom, probably the outstanding social event of the year was held. This was also sponsored by the Junior Class.

There was an enrollment of 160 in the Junior Class this year, which took an active part in pratically all the organizations and affairs of the school.

The class of 1937 has settled down from the carefree life of the Sophomores and Junior High, and are thoroughly prepared to meet the problems that faced the Seniors this year.

NINETEEN THIRTY-EIGHT

THIS year the Sophomore class had an enrollment of 160. This is truly a coming class, and much may be expected of the class of 1938 in the future.

President ..... ANN MUIRHEAD
Vice-President ..... ARTHUR RUPERT
Secretary ..... BLOSSOM COOK
Treasurer ..... JACK FRITZ

The Sophomore Class as a whole sponsored nothing this year, but as individuals were well represented in musical, dramatic, and journalistic affairs in the school.

This year the class of 1938 was divided for the first time into two definite groups, which will continue until graduation. These groups are the Academic and the Commercial groups. The Sophomores can be proud of their Commercial students, who have made great strides in business work.

Mr. Schell and Miss Long have been the advisers to the Sophomores, and have helped many members of this class to advance successfully.

The Sophomores have been into everything possible this year. They were the cut-ups of the Senior High, but it has been predicted that they will ably fill the footsteps of their Junior predecessors next year.

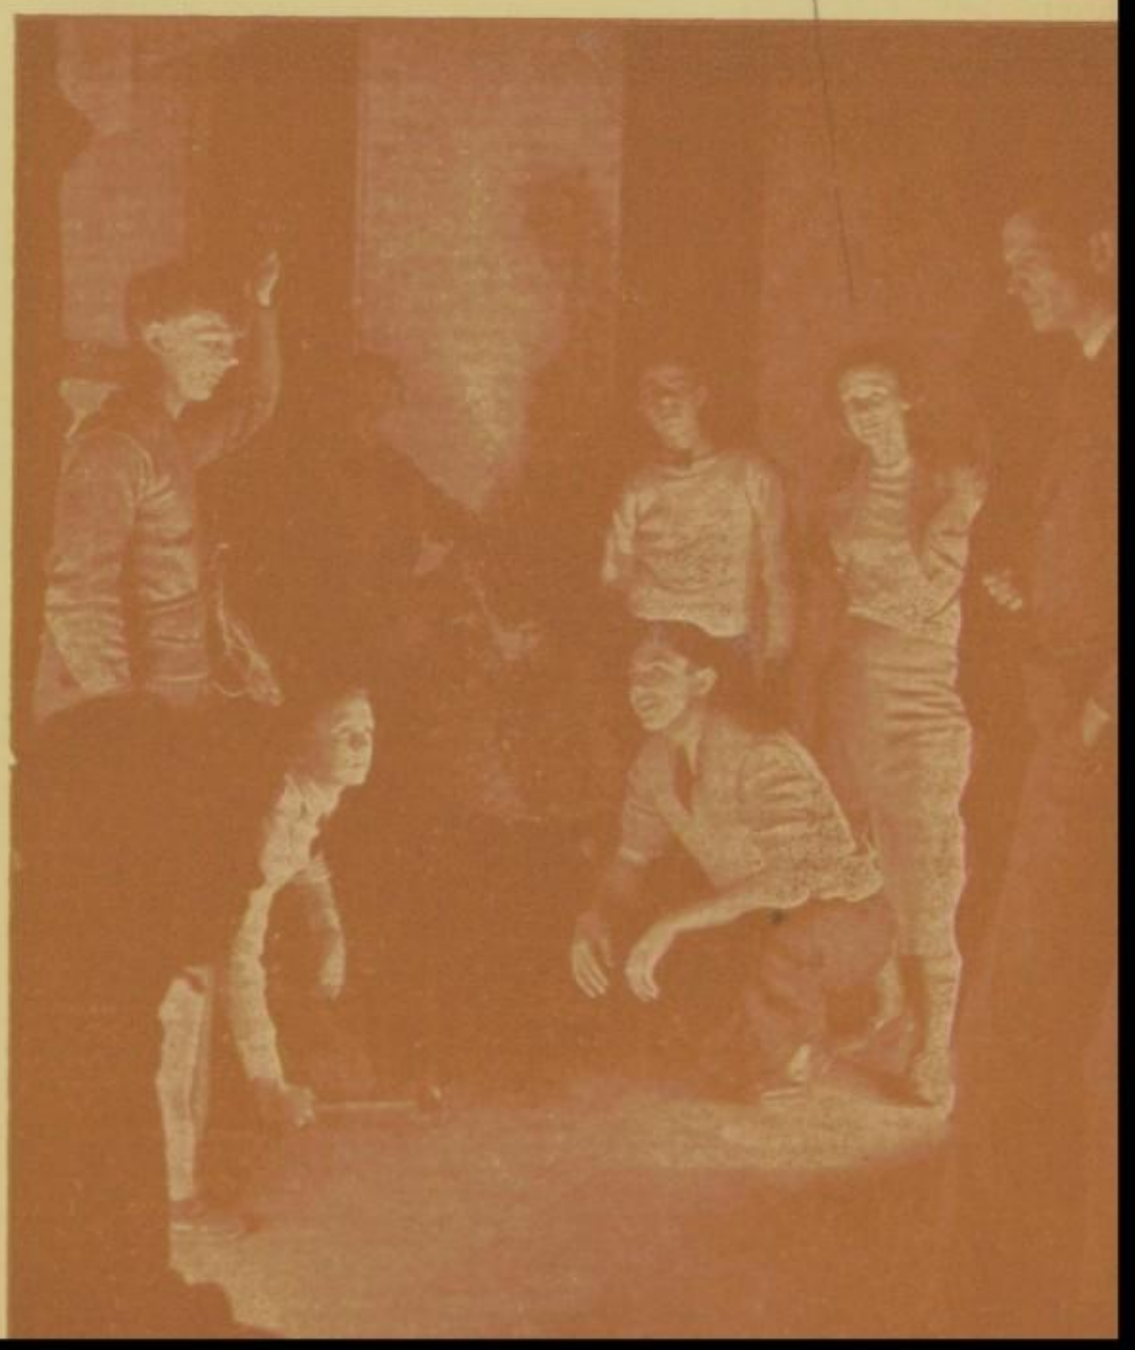
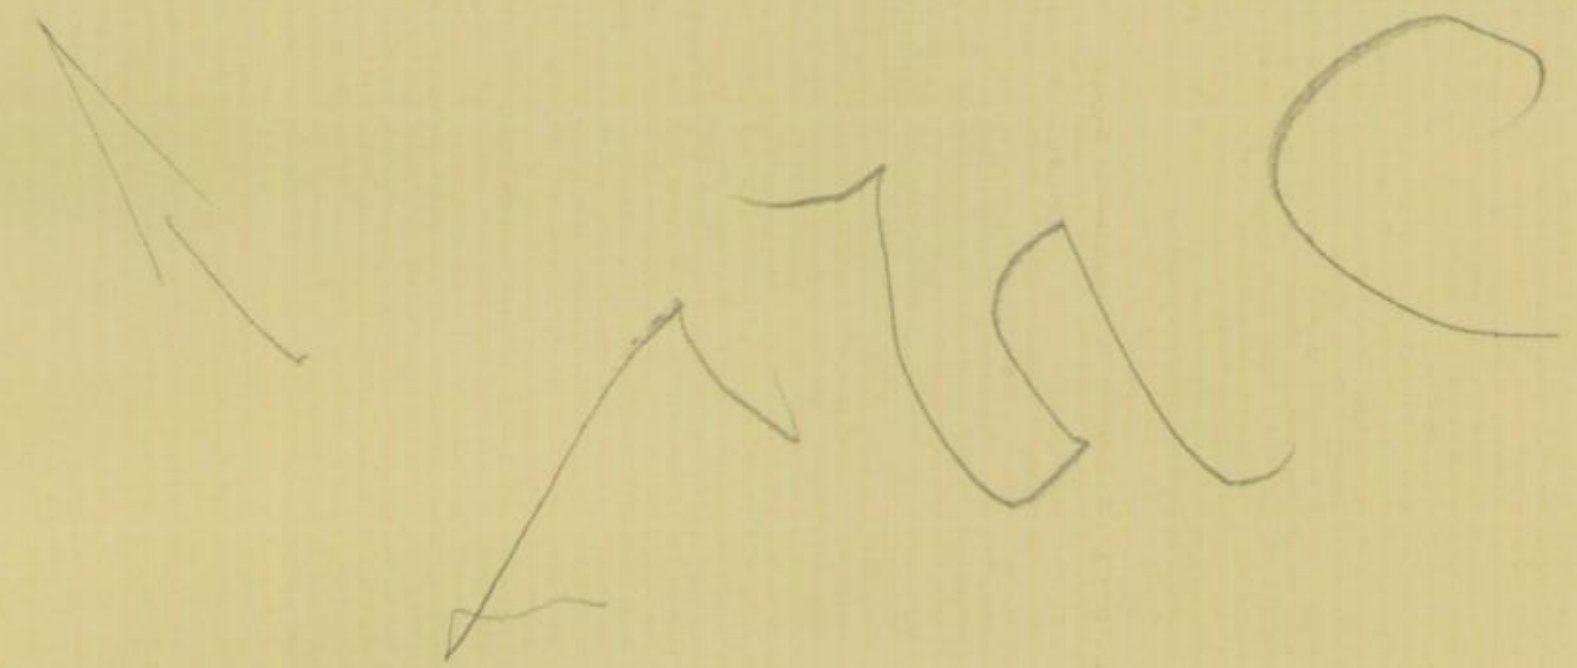
ORGANIZATIONS





RESUME

ENGAGED in purposeful activity, Bloomsburg High School's organizations completed a busy year filled with a variety of interests. Student participation is emphasized in the large number of extra-curricular activities offered to both junior and senior high school students.

In most cases, students organized and managed the different interest groups. Each club or group prided itself on making one lasting contribution to progress during the school term. Activities and surveys carried on by these clubs are recorded in each organization write-up and become a fitting part of our school history.

One notable achievement which received town recognition was the staging the "Roller Skating Derby." This was staged by the Press Club with the co-operation of other clubs and it is hoped that this may become an annual affair. Music and the drama flourished in the high school this year while other clubs made rapid strides in their separate fields.

The camera study on the preceding page is the work of Alex Fisher, art director. The stage crew deserves special mention for its fine work in the auditorium and in the gymnasium.

Membership in the society was selected on the basis of scholarship citizenship, service, and character. From the top 25% of the class scholastically, 15% were eligible for election. Extra-curricular work and grades earned during the three years of Senior High School were considered. Students must rate above 90% for the three consecutive years.

Officers elected were John Lyle, President; Al Gross, Vice-President; Virginia Lowery, Secretary; Ruth Nicewinter, Treasurer. Initiation of the members was held on May 21, in the auditorium.

Three of the outstanding members of the society, Josephine Brown, Dorothy Derr, and Richard Foote, were selected as the commencement speakers. The general theme of "Tomorrow" will be discussed at commencement, June 4.

From the forty-two members of the class whose average during 7th, 8th, 9th grades were 90%, ten percent were chosen for the society. Pupils were selected on the basis of scholarship, citizenship, character, and service.

Miss Lorah, Miss Pensyl, Mr. Mercer and Mr. Remley were the members of the faculty committee.

These people displayed much interest and many of them showed an astonishing fund of information about current aviation activities.

Talks by Robert Kistler, and other people interested in aviation, helped maintain enthusiasm and plans were made for a large enrollment in the 1936-1937 club.

Both as individuals and as a group, this club visited the aviation field in Bloomsburg, where they received a cordial welcome.

Harold Miller and Lawrence Campbell were the advisers, and the officers were President, John Lyle; Vice-President, Eugene Whitenight; Secretary-Treasurer, Richard Foote.

The honor of membership was an adequate return for the service rendered by the members. During the past year, they had charge of the sale of tickets at the football games, sponsored the Hallowe'en dance, and ushered at almost every entertainment given by the high school. This year, as in former years, the club presented a trophy to the winner of the inter-class tournament.

SENIOR TRI HI-Y

The Tri-Hi-Y Club is under the auspices of the State Y. M. C. A. It was founded in May 1930, and corresponds to the Hi-Y Club for boys. As a religious but non-sectarian organization for high school girls, the Tri-Hi-Y Club has met a definite need in our Penna. high schools. It has served to band girls together with a definite object in mind, "To create, maintain, and extend throughout the school and community high standards of Christian character."

The "Tri" in the name stands for the all-around development of club members in spirit, mind, and body; and serves the three main training agencies—home, church, and school. The slogan is pure thoughts. pure words, pure actions; and the objective is to seek, to find, to share.

The Tri-Hi-Y during this present year held a corn and weiner roast. sponsored the Christmas dance, was enrolled in the State High School Bible Contest, conducted a magazine and book survey, collected clothing for needy children, and had many other interesting meetings to care for the needs of the girls in the club.

The club was very active throughout the year. A business meeting, followed by questions and problems of scientific nature, was held in the Science Department every Wednesday afternoon. Members worked on experiments or machinery.

Numerous trips, including the Carpet Mill, Snyder's Dairy, Letterman Bakery, Buckalew Garage, new post office, water works, gas plant, silk mills, telephone company, and an abandoned ore cave, were made. A banquet and a weiner roast were held shortly after the school term opened.

THE Junior Dramatic Club was organized in 1934. The aim of the club is to learn as much as possible about stage terms, stage technique, and to get actual stage experience, as well as an appreciation of plays and drama.

The sponsor of the club was Miss Mary Serocca. Officers of the club were: President, Kathaleen Hinds; Vice-President, Betty Hagenbuch; Secretary, Catherine Harper; Second Secretary, Audrice Rockwell.

The members had programs at each weekly meeting, on Monday, in which plays and recitations were taken care of by the pupils.

Early in the school year a play was presented by the club in the auditorium before both Junior and Senior High School assemblies. The name of this play was "Off-Sides," a football story. The members presented a George Washington program with a play and a minuet as the features. A program on safety was presented to the Junior High assembly, and on May 7, a one-act play, entitled "Elmer" was shown in the auditorium.

A series of one-act plays was studied and presented by members of the club. Monologues were features of club work this year, and some unusual talent was discovered.

One-act plays and monologues were presented to various clubs and organizations throughout the town.

In addition to this type of work, the members of the club assisted with the major plays of the year: "The Charm Shop" and "Growing Pains," both outstanding productions.

It is of interest to note that all members of the Senior High Dramatic Club earned their points this year by taking part either in one-act plays or in one of the major plays.

LIBRARY CLUB

THE Library Club was organized in 1934 for the purpose of teaching children how to use books and to educate them in library work. The club was directed by Miss Margaret Lorah, with Betty Gialamus as president, and Betty Patterson as secretary. There were about forty members, most of whom were girls.

Members of the club cared for the library. Every afternoon, they checked out and mended books, and arranged them in the stalls for use the next day.

The club presented the play "The Dream Book" in assembly and delighted a large audience with their characterization of outstanding characters from books of fiction and romance. All of the great writers were represented by members of the club who impersonated them. The Library Club had many social activities, among which were two parties.

HI-HO CLUB

THE Hi-Ho Club was organized in 1929 by Miss Mary G. Belig. The name was composed of the first two letters of high school and the first two of hospital. The purpose of the club is to cheer the patients at the Bloomsburg Hospital by weekly visits, during which time members read stories, wrote letters for the patients, and helped the nurses whenever possible. At Christmas time gifts were given to each patient at the institution through the cooperation of the town merchants. Each Wednesday night members of the club met at the high School, then went in a body to the hospital.

The officers for 1935-1936 were President, Mary Snyder; Vice-President, Rhona Bauman; Secretary, Lois Styer; and Treasurer, Anna Evans.

In December, Miss Belig, the faculty sponsor, was stricken ill, and for the rest of the year, Mary Snyder, club president, was in charge.

Best of luck to a Hal

RED and White musical organizations experienced new life under the direction of Sam W. Kurtz, newly appointed music director of the town schools. The band competed in the District Forensic meet, held at Bloomsburg State Teachers' College in April. Although Class B honors went to Montrose High School, Bloomsburg's band received high rating and they are already preparing for next years competition.

On May 1 and 2, six members of the band were selected to represent the high school at Susquehanna University. These boys augmented a band composed of members of regional high schools who played under the direction of Edwin Franko Goldman, famous conductor and composer.

Both the band and orchestra offered musical programs at various school functions. The band was present at every home football game, presented a concert at the Fair Grounds, played at the CCC camp, assisted at the Derby Day event and gave several programs in the auditorium. The high school orchestra, also under the direction of Mr. Kurtz, presented musical programs at the various dramatic productions during the year, and are rehearsing several scores for the commence-

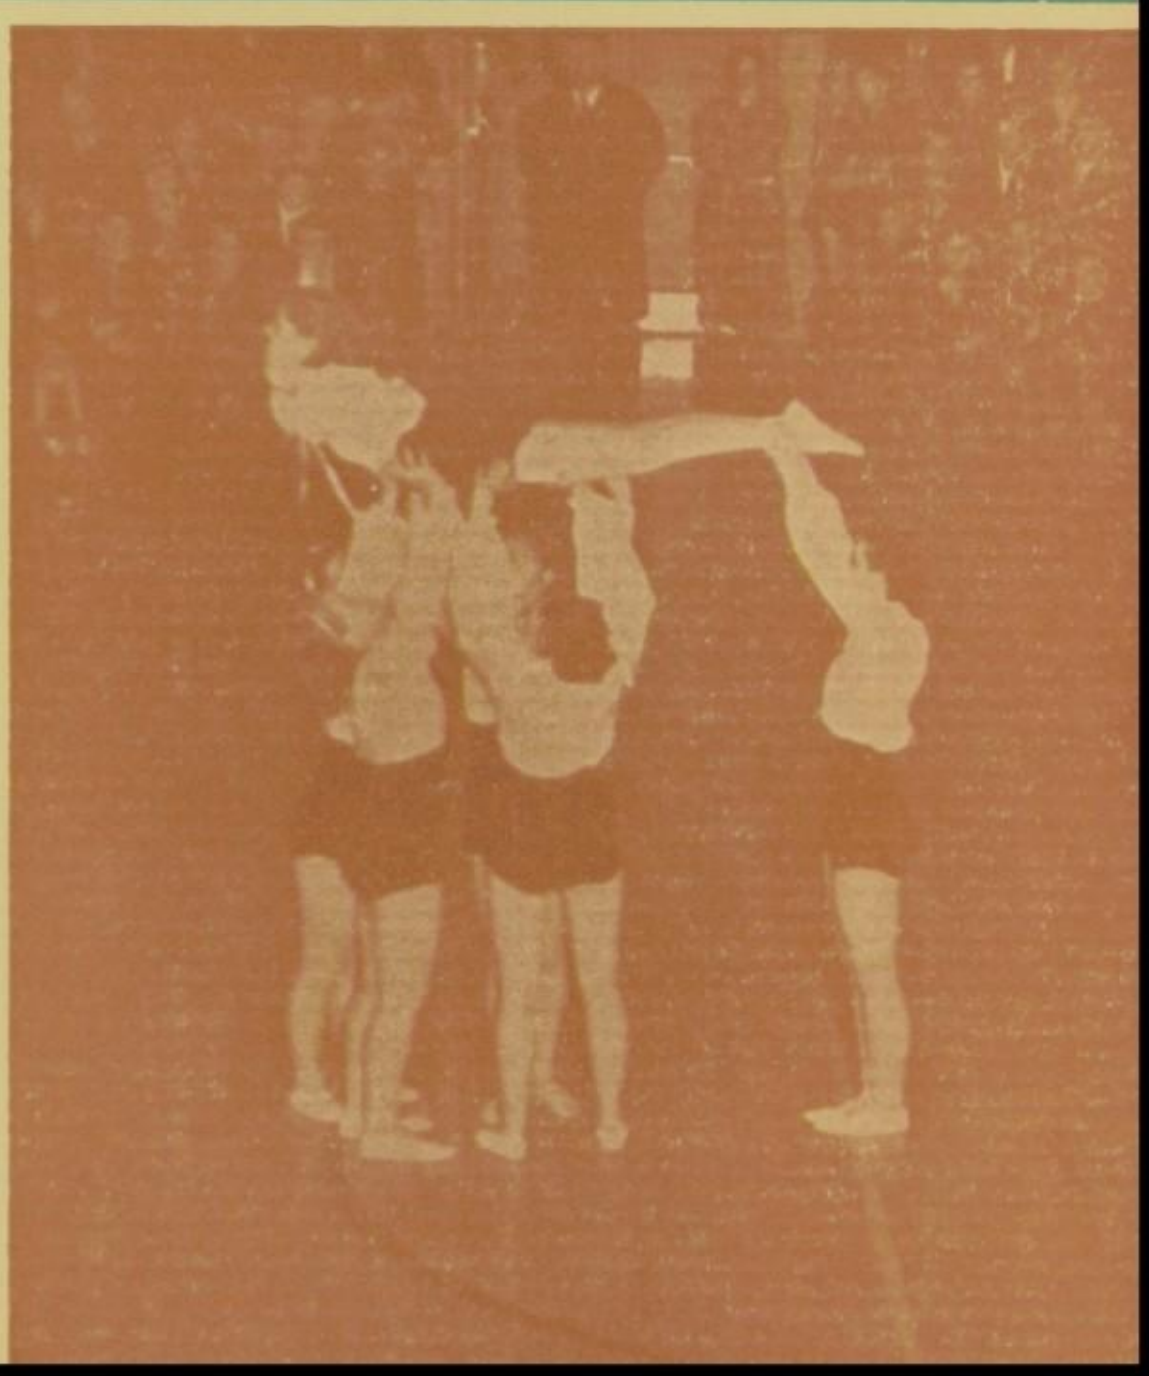
ATHLETICS



RESUME

IN the field of high school athletics, Bloomsburg High School's representatives turned in a creditable record for the 1935-36 school term. The boys' gym team proved most successful in inter-scholastic competition, winning numerous awards in P.I.A.A. contests staged at Philadelphia and State College.

The football season deserves second mention. Faced with a stiff schedule, Coach George "Hap" Mordan's Red and White gridders fought to the finish in every game and can be proud of their fighting spirit. Losses more than balanced the wins, while two heart-breaking ties were added to the season's efforts. Bloomsburg may enter District 4, P.I.A.A. grid competition next year. Mordan expects to place a heavier team in the field for the 1936 fray and a revised schedule may place the Red and White on the win side of the ledger.

Keystone League basketball proved to be disheartening to fans and players alike. The Bloomsburg team with only one veteran on the varsity squad, fell easy prey to the veteran squads of neighboring high schools. One win in sixteen starts was the unimposing record of the cage team in 1936. Coach Mordan also experienced his first year of coaching the local basketball team.

The combined boys' and girls' gym teams under the guidance of Coaches Whitenight and Wisher presented an outstanding gymnastic display in the spring. Capacity audiences filled the gymnasium on two consecutive nights and witnessed an unusual gymnastic program. The photograph which appears on the athletics division page was taken during the gymnastic demonstration.

FOOTBALL 1935

A light scrappy Red and White grid team, under the guidance of Coach George "Hap" Mordan, turned in one of the finest records in Bloomsburg High School football annals. Hopelessly outclassed by power teams from neighboring schools, Bloomsburg's "Iron Men" fought grimly to the finish and won praise in every department of the game.

Mordan, former coach at Holidaysburg, Pa., and Ray Schell, former freshman coach at Ursinus, built an exceptional gridiron machine from an inexperienced group of high school players. Depending on speed and a well-organized passing attack, Bloomsburg humbled a mighty Milton team and lost several games by heart-breaking margins.

On paper, Bloomsburg's record is not imposing. The Mordanmen won three, lost five, and tied two. Hazle Township, Nescopeck, and Milton lost to the Red and White school; Scranton Tech, Shickshinny, Shamokin, Berwick, and Northumberland scored against the "Iron Men," and Sunbury Orphanage and Danville tied the local boys in exciting contests.

The season opened on the B.H.S. field with Hazle Township as the first opponent. Although, the "Iron Men" were outweighed, they showed surprising ability and emerged victorious by the score of 19-0.

The following week Bloomsburg played at Nescopeck. This game was played in ankle-deep mud before a small crowd, composed chiefly

FOOTBALL 1935

of Bloomsburg fans. The game was played on even terms until the Bloom lads started blocking Nescopeck punts. Jesse Stephens, end on the Red and White eleven, dropped on one of these blocked kicks at the same time a Nescopeck player did, but the decision gave Bloomsburg two points. Bloom enjoyed a slim 2-0 lead at the half time. Both teams scored a touchdown in the last twenty-four minutes of play and the game ended 8-6 in favor of Bloomsburg.

Bloomsburg entertained Scranton Tech the following week. This game was one of the hardest and most spectacular of the season. Scranton outweighed Bloom twenty pounds per man, but this meant little-to the Bloom team. The first half was battled on even terms, with many long runs featuring the game. Finally, by superior weight alone, the up-river team scored its lone touchdown and converted the extra point. The game ended 7-0 in favor of Scranton.

Milton was the B.H.S. opponent the next week. The North Branch school boasted a veteran eleven last season and had reserves to back it up. In the first few minutes it looked bad for Bloomsburg, as Milton ran three plays and scored a touchdown in short order. Bloomsburg came back, however, and scored one also. In the second half, Bloom, scored another touchdown and then settled down to protect its lead of 13-6. Milton's backfield ace, Johnson, was bottled during the entire

game but he began heaving long passes in the last two minutes of play, one of which was caught on Bloomsburg's two yard line. The game ended at this point with Bloom winning 13-6.

Bloomsburg then went to Shickshinny, where they met their worst defeat of the season. Decidedly off-form, they could not solve the savage attack launched by the up-river boys. Bloom had the ball only three times during the entire game. The final score was 32-7.

The following week Coach Mordan's boys settled down to a hard practice session, resolved to get revenge for their lacing at the hands of Shickshinny by defeating the powerful Shamokin Greyhounds. Shamokin also had a veteran eleven and outweighed Bloomsburg at every angle. Shamokin led 6-0 at the half, after Bloom started off by scoring a touchdown, but could not cope with the powerful Greyhounds after that. Final score was 20-6.

Sunbury Orphanage was the next Bloomsburg opponent. This was one of the scrappiest teams the locals met all season, and one which deserves much praise for its fine playing. The Orphanage team was the only team which did not outweigh the Red and White eleven, but what they lacked in pounds they made up in pluck. Final score 6-6.

The following week, Hap Mordan's boys invaded the Bulldog kennels at Crispin Field in Berwick, to decide the "Columbia County Championship" as it is sometimes referred to. Berwick had a veteran eleven and a host of subs, but they had no easy time defeating the light Bloomsburg squad. The first quarter was played on even terms, but in the second quarter Berwick scored twice with the game ending 18-0 in favor of Berwick.

On the following Saturday, The Panthers went to Northumberland where they suffered the most heart-breaking defeat of the season. Bloom drew first blood by scoring early in the game. The entire first half was a nip and tuck battle after the Panther's score, but-in the second half, Norry put on a drive which carried them to Bloom's ten yard line. Then Norry sent in a back named Gullich who proved to be just the spark they needed to push over a touchdown and convert the extra point. After that, the game again became a nip and tuck affair and the final score was 7-6 in favor of Northumberland.

The last game of the season was the annual Turkey Day battle with Danville. The down-river team had enjoyed a fine season, defeating Shamokin, Norry, and Shickshinny. Records do not win football games and this was clearly demonstrated. The game was played in a sea of mud ankle-deep, with rain falling during parts of the game. Danville started the game by throwing passes but Bloomsburg's defense spoiled their chances of scoring by the aerial route. Neither team could do much in the line of advancing the ball, and both teams failed to score during the entire game.

G. A. A.

THE Girls' Athletic Association advanced rapidly this year under the direction of Mary Whitenight. The club was organized in 1929, for the purpose of promoting and regulating athletics among the girls of the high school. The aim is to encourage the participation in some sport by every girl in the school.

The Athletic Association point system awards a girl a certain number of points for every game she enters. This system enables any girl to earn numerals, the "B", and the Chevron. The fall, winter, and spring sports enable students to participate in many sports.

Officers elected for the year were: President, Eva Simpson; Vice-President, Josephine Brown; Secretary, Mary Long. The sports managers were: Basketball, Marjorie Dillon; Baseball, Maxine Creasy; Soccerball, Eva Simpson, Josephine Brown; Kickball, Helen Monroe; Minor Sports, Eleanor Whitenight; Volley Ball, Betty Marr.

1st Row (sitting)—Charles Thackara, Wilmer Lowe, Pete Wisher, Bob Veley, Paul Robinson.

2nd Row—Dick Byrem, Joel Baker, Donald Fought, Jay Fritz.

BOYS' GYM TEAM

BLOOMSBURG High School's combined gym teams earned an enviable reputation this year for fine performances in several district and state meets. The boys' team entered District 4 P.I.A.A. competition and reached the state finals, at State College, where they won fourth place. During the year, East Stroudsburg State Teachers' College gymnasts presented a fine program in the auditorium.

The boys' team first competed in the District meet at Sunbury in which they acquired first place. Sunbury took second place; Trevorton, thrid; and Williamsport, fourth. Bloom upset the highly-favored Sunbury team in this meet.

In the Regional Meet at Philadelphia, Bloom qualified five boys for the state championships. Thackara placed first on the parallel bars; Byrem, first on the mats; Lowe, first on the horse; Robinson, second on the parallel bars; and Baker, fourth on the mats.

Bloomsburg as a team, finished fourth in the state championships at Penn State. Thackara took second place on the parallel bars; Lowe, third on the horse; Baker and Byrem, third in tumbling.

In the Triangular Meet at Bloomsburg, both boys and girls competed. Bloom easily took first place; Trevorton second; and St. Clair third. Tne events of the meet were marching, boys' tumbling, free-hand, drill, waltz clog, girls' tumbling, parallel bars and an optional dance.

L to R (sitting)—Mary Lou Dillon, Betty Marr, Fay Fausey, Betty Dawson, Beverly Brown, Eva Simpson, Mary Gross, Mary Whitenight, director.

L to R (standing)—Elizabeth Paulus, Eleanor Whitenight, Ann Muirhead, Janet Waters, Betty Horne, Mary Long.

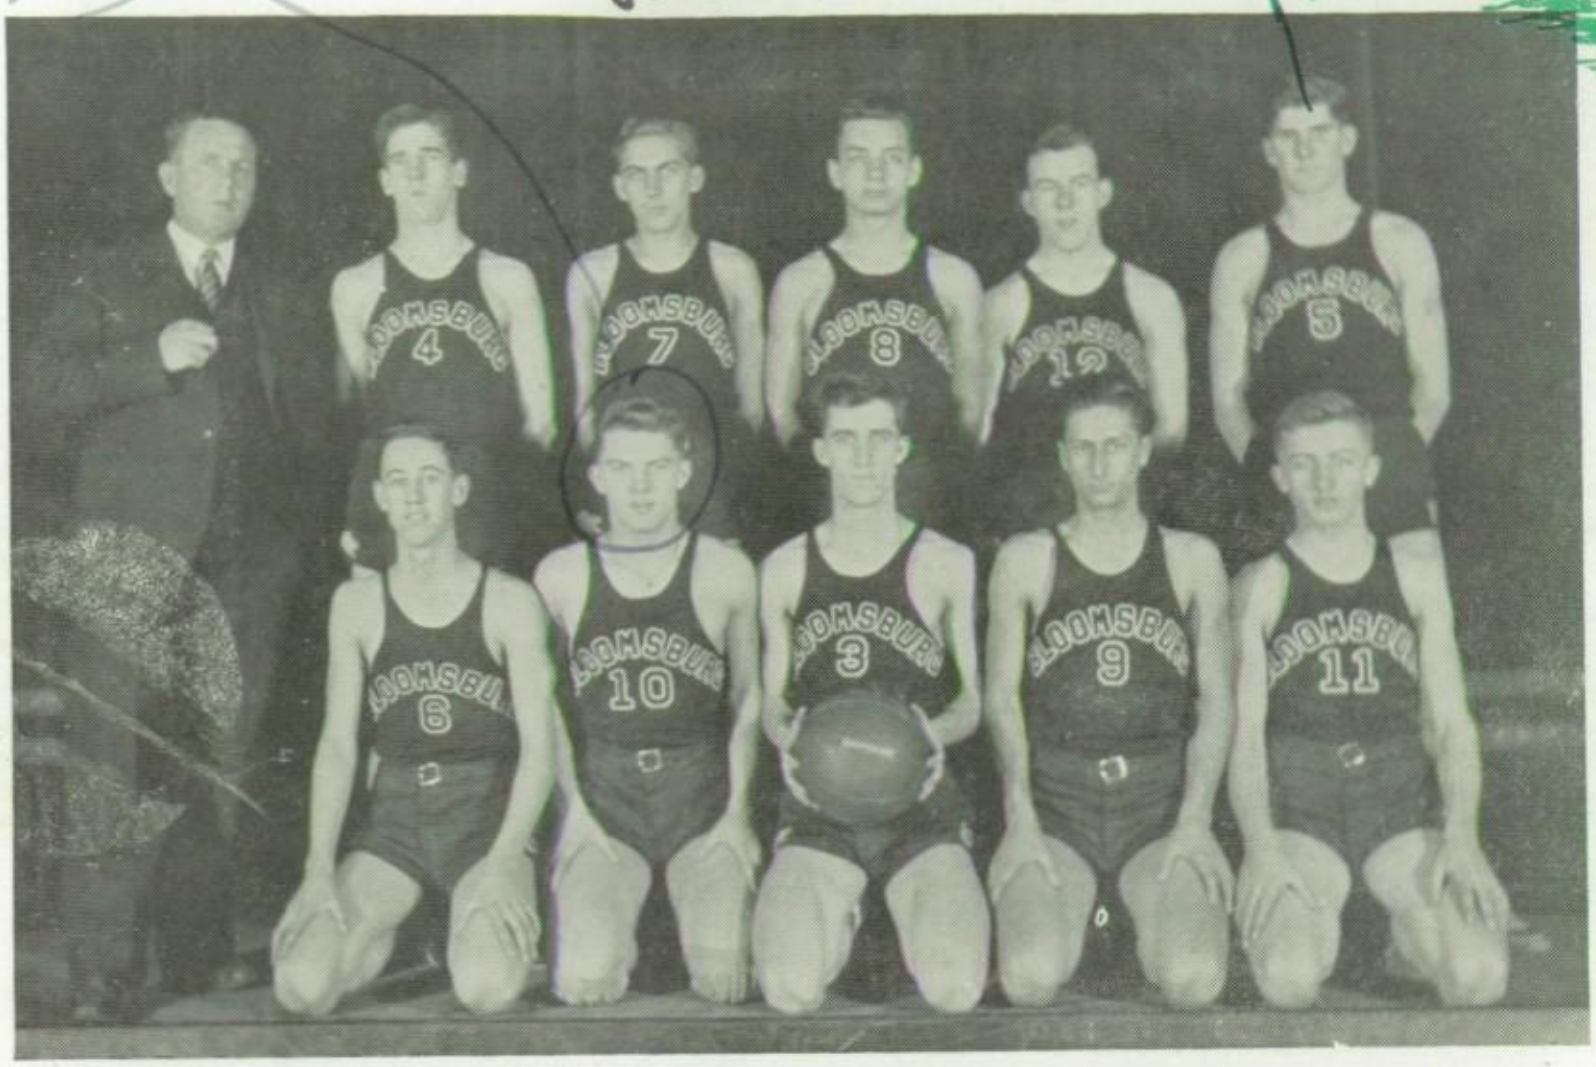
GIRLS' GYM TEAM

Eleven schools entered in the Stroudsburg state interscholastic gym championship. Lehighton finished first, retaining its title for the seventh consecutive year. Bloom finished second in the entire meet, but it was only school that placed among the first three in every event.

In a contest between Bloomsburg and Trevorton, in the latter's gym, Bloom easily took first place.

In addition to the various meets in which the teams competed, they also presented two highly praised demonstrations in the Red and White gymnasium. A new number, which furnished much enjoyment for the audience was the eccentric tumbling of "The Berger Brothers, Ham and Lim." Ed Reimard and Jack Larned gave a fine performance as tumbling clowns.

The teams, which made such a splendid showing in their first year of competition, were under the capable direction of Miss Mary Whitenight, girls' gym instructress, and Peter Wisher, instructor of boys. Miss Whitenight and Mr. Wisher have devoted their time and effort to build these fine teams and are anxiously looking forward to the 1936-1937 season.



Left to Right (kneeling)—Jack Fritz, Mark Jury, John Lyle, (Captain), Harry Snyder, Clyde Shoemaker.

2nd Row (standing)—Mr. Mordan, Leo Conner, Ralph Baird, Harry Snyder, Jack Higgens, Al Bryk.

VARSITY BASKETBALL

THE 1935-36 cage season cannot be called a successful one from the point of victories. Coach George "Hap" Mordan faced a hard Keystone League schedule with an inexperienced squad which lacked scoring power. Out of ten men in the varsity and Jayvee teams, Captain John Lyle was the only veteran from the preceding season.

The Keystone League season opened with Coal Township, the Purple Demons winning 56-15. Next, the Green and White warriors of Lewisburg invaded Bloom and took home an exciting victory, the final score being 29-27. The Black Panthers went to Mt. Carmel and came out on the tail end with a score of 32-30. The Shamokin Greyhounds then came to Bloom and won a decisive victory of 33-19.

Bloomsburg went up the river to the Bulldog kennel and was literally swamped 48-6. The Milton Panthers next met the Bloom Panthers and this resulted in the lone Red and White victory. The score was 28-23. After this victory the Bloom squad went down in order to the Owls of Sunbury and the Black Knights of Danville. The scores were 29-19 and 34-24 respectively.

During the second half, Bloomsburg repeated the same schedule. They played much better ball than the first half, but they failed to annex any victories in this period.

Kneeling L to R—Harold Veley, Don Girton, Don Davenport, Gerald Gearinger, Don Whitenight, Robert Gearinger.

Standing L to R—Pete Wisher, Nelson Oman, Don Hopfer, Jack Reily, John Creasy, Nevin Slusser.

JAYVEE BASKETBALL

THE Jayvees fared better than their varsity brothers by winning four out of sixteen games in the Keystone League Jayvees tilts. Coach Wisher took over an entirely new squad, with exception of Captain "Diddle" Gearinger and Paul Thomas, and developed them into a hard fighting basketball machine. What they lacked in height and experience they made up in plenty of pluck.

The members of the Jayvee squad were: Gerald Gearinger, Donald Girton, Paul Thomas, Robert Gearinger, Donald Hopfer, Nevin Slusser, Jack Reily, Donald Davenport, Harold Veley, Nelson Oman and William Vial.

RESUME

A NEW METHOD, termed photomontage, was used in the snapshot section this year. Many excellent views are included in the following scenes in and about Bloomsburg High School. A careful study of the snap pages will reveal many examples of fine photography, a tribute to Max Miller and James Galbreath who gave their time and interest to this section. The photo of "The Berger Bros." which appears on the preceding page was shot during the high school gym demonstration.

Bloomsburg business men contributed freely to the 1936 annual by subscribing for eighteen pages of advertising. This feature cannot be overlooked when it is realized that these men contributed nearly one-half the cost of this publication. The staff met few refusals this year. We extend to advertisers our sincere thanks for making this book possible.

The humor section has been limited to a few well chosen articles. A senior index will be found in the back of the book for convenience. This feature permitted the grouping of the senior photographs according to tone values which resulted in balanced pages.

Careful study and planning over a period of several months was necessary to create this annual. A book of this type is seldom the product of one individual mind. Many ideas from many sources are built into this truly fine annual.

ALMA MATER

Bloomsburg High School, Alma Mater
Always Faithful, always True,
Your sons and daughters ere will cherish you;
Red and White to you, all hail!
See our colors waving o'er us!
Proudly may they ever fly!
Bear us onward, aid, direct us!
Bid us now to do or die.
Oh, Bloomsburg High School, Alma Mater,
Receive the honor we would give,
And may we strive to do our best and live
True to Bloomsburg High! All Hail!
